**Goals:** Take your time and think about the goals you really want to achieve, Fire Fly Stables wants you to achieve them, so we need to know what they are in order to help you get there. Short term goals could be anything from tacking up on your own, to showing your first show this year, or perhaps training your own horse if you are an advanced student. Long term goals are further than a year away, where do you want to see yourself? Mastering jumping, competing on a circuit, or becoming a soft supple rider who enjoys riding their horse.

**Short Term:**

**Long Term:**
